

International Registered Nurse Job Position

VELOCITY HEALTHCARE was established in 2002 to help U.S. hospitals alleviate their growing staff shortages. Our primary focus is the location, sponsorship, training and placement of qualified healthcare professionals. As a result of our continued success, we now employ a growing pool of in- demand healthcare professionals and provide them placement at healthcare's leading facilities.

Velocity Healthcare is a full time employer of healthcare professionals including Registered Nurses in the United States. For both International students in the US, and foreign educated healthcare professionals, we provide visa sponsorship and employment in our healthcare facilities.

We are currently seeking International Students as Graduating Registered Nurses with OPT, CPT, or other Work Authorization to fill nursing positions in diverse communities.

Position: International Graduate Nurse (RN)

Job Description:

- Perform frequent patient evaluations.
- Render registered nursing care to patients at hospital.
- Perform assessments and administer treatments.
- Administer prescribed medications in accordance with the approved nursing techniques.
- Administer intravenous medications.
- Observe patients and take vital signs.
- Carry out other procedures per physician's orders.

Requirements:

- Bachelors Degree or Diploma in Nursing from and Accredited US Nursing School.
- OPT Status, Former F-1 Status or Current Employment Authorization (Non US Citizens are Accepted).
- Current US Nursing License.
- 8 Months Medical/ Surgical Experience (Professional or Volunteer) Preferred.
- ACLS/ BLS Certification.
- CPR Certification.
- Up to date credentials and references.
